Salam sis alhamdulillah my family love it so much and the rendang is superb..masya allah barakah..

Salam De'Riya Services  
Thank you for the ambeng platters. They arrived promptly - delivered by friendly and helpful De'Riya guys. The lauk pauk sungguh lumayan. Alhamdulillah. Will order again, Insya Allah, especially with the easy and non fuss ordering system. 😊  
The only negative feedback that I have is the small amount of your sambal belacan. 2 -3 portions would be welcomed instead of the one portion given for each platter.

Thank you again for the great ambeng experience. 😊

regards
